RE: Revision of Fuel Adjustment Factor (FAF)

---

To our esteemed customer,

In view of the recent announcement by government of diesel price **increase**, we are pleased to inform that we have revised our FAF surcharges from 19.81% to 20.02% effective from 22<sup>th</sup> March 2018 until further notice.

New rate shall take effect on ROT revived on/or after 22<sup>th</sup> March 2018 and/or movements date whichever is earlier.

We appreciate your understanding and look forward to be of services to you.

Yours Faithfully,
